SAMPLE SCHEDULE - CLASSES AND TIMES ARE SUBJECT TO CHANGE

The PEP Factor Week (Personalized Exercise Programming)

May 19, 2018

Your week begins...

Welcome to a most enjoyable and life-changing vacation, one filled with many accomplishments as well as blissful rest and retreat.

Stay flexible...in more ways than one! After you secure your spa appointments, try sketching out your personal program for an entire week, or take it day by day. Our Fitness Concierge is always ready to help you get the most out of your week. You'll soon discover many "don't miss!" experiences that inspire schedule changes.

Seek a balance when considering the many options for movement, nutrition, relaxation, entertainment and learning. Generally speaking, try to follow a vigorous, challenging class (i.e. Circuit Training) with something more restorative (i.e. Yoga or a spa treatment).

Keep in mind a few guidelines for the week:

- We are a "digital noise-free environment". Please turn off ringers and alerts on your devices. If you must answer or make a call, do so in the privacy of your room, or the Administration Bldg.
- A few classes require signing up in advance on forms posted in the Main Lounge
- "Progressive" classes are a continuum over several days. Your knowledge of that particular discipline *and* your fitness level will grow with each passing day. If you miss the first day, don't despair; you can still drop in on subsequent days.
- Classes and activities begin on time and last 45 minutes unless noted otherwise.
- The Main Lounge is open 24/7 and is a hub for socializing and checking the bulletin boards. Coffee and tea are always available, as are new friends to talk with, daily newspapers, and a guitar and piano. Games are in the cabinets.
