THE TRANSFORMATIONAL EXPERIENCE

- **Transportation** - We provide round-trip transportation via charter bus on Saturdays to and from the San Diego International Airport. See rancholapuerta.com for scheduled times.
- **Cuisine** - Dine at round tables with new friends or choose to dine alone, just as you would in any fine restaurant. We serve three meals a day which follow a modified Lacto-Ovo-Vegetarian diet. A seafood "catch of the day" is served a few times throughout the week, but vegetarian and vegan options are always available.
- **Fitness Classes** – Enjoy over 50 world-class fitness options throughout your week including yoga, Pilates, arts & crafts, dance, cardio, meditation, and stretch classes. This is the perfect opportunity to try new activities!
- **Fitness Facilities** – We have 11 gyms, four outdoor pools, a running track, a Labyrinth, a reflexology path, tennis courts, a sand volleyball court, and more!
- **Spa Centers**** – Massage? Check. Facial? Check. Body scrub? Check. Take advantage of our luxurious array of spa treatments and also enjoy a cold plunge, saunas, and steam rooms. This is your time to cleanse, relax, restore, and re-energize.
- **Culinary Experience**** - Visit *La Cocina Que Canta*, "The Kitchen That Sings" – our culinary center set in the midst of Tres Estrellas six-acre organic garden: Sign up in advance to experience a hands-on cooking class taught by top chefs. Each class concludes with an unforgettable family-style dining experience that you will enjoy with your fellow cooks.

YOUR HOME AWAY FROM HOME

One of these "casitas" (little houses) will be your retreat for the week.

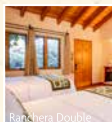

RANCHERA SOLO

Ranchera Solos are roomy studios with one bed and a small sitting area. They are comfortable for one guest and are built in clusters in a central area close to the Dining Hall and gyms.

RANCHERAS

Rancheras are roomy studios with all the amenities of The Ranchera Solos but with two beds (although a few feature kings). They are comfortable for one or two guests and are built in clusters in central areas closest to the Dining Hall and gyms. A few Rancheras have fireplaces.

HACIENDAS

These are larger than Rancheras and feature a bedroom area, sitting area and bathroom. All Haciendas have a fireplace. Many are close to the gyms and dining room.

JR. VILLA STUDIOS

A favorite! All Junior Villas have two double beds and accommodate one or two guests. Junior Villas are known for their large, private patios, often with great views of Mount Kuchumaa or oak groves and flower-strewn meadows.

VILLA STUDIOS

Villa Studios are the largest "studio" units at The Ranch, many accommodating up to three people. You enter a large living area with couch and chairs for sitting near the fireplace.

TWO-BEDROOM VILLA SUITES

These feature two separate bedrooms and two bathrooms, as well as a living room, wet bar, dining area and fireplace. These are our most spacious villas, and are truly comparable to a small vacation home. They comfortably welcome up to four people.

VILLA CIELO

Experience privacy, serenity, magnificent art, and great amenities. Each casita has an open master bedroom overlooking a den that can transform into a home office, gym, or bedroom. Lush gardens feature outdoor showers, dipping pools, hammocks, fountains, and scenic mountain views. Ideal for two guests.
