

DRIVING TO THE BORDER VIA CAR OR PRIVATE TRANSPORTATION

The highway from San Diego that takes you to the Tecate turnoff is CA-94, one of the most scenic country drives in California. In the San Diego metropolitan area, CA-94 runs east-west and roughly parallels Interstate 8, which is farther north. Consequently, the city's main north-south highways (I-5, 163, 15, 805 and 125) all intersect CA-94. East of San Diego, CA-94 turns southeast, toward Mexico.

Please call us when you reach Campo Road (858-925-1214) and plan to meet the shuttle driver promptly in front of the TC Worthy mini-mart on the U.S. side of the border. The TC Worthy store is not associated with Rancho La Puerta.

Our shuttles will meet you at the border. Which one would you like to take?

- **6:30 a.m.**
- **8:30 a.m.**
- **9:30 a.m.**
- **11:30 a.m.**
- **1:45 p.m.**
- **3:15 p.m.**
- **4:30 p.m.**

Shuttles depart promptly at the time noted and cannot be held for those who arrive late.

Note: If you park at the Tecate border, please arrive 30-minutes prior to the shuttle departure time and remember to bring \$5-10 per day for parking fees. If you are dropped off, arrive 15-minutes prior to shuttle departure time.

Migratory Form

The form cost is approximately \$32 (please bring small denominations) depending on the exchange rate. The immigration office is open seven days a week from 5:00 a.m. to 11:00 p.m. Customs officers at border crossing do not provide forms, so you must park and enter the immigration office to complete your migratory form process. If you arrive outside of these hours, you can return to the visa office the next day (Rancho La Puerta personnel will help you).
