### **Rancho La Puerta: Mexico**

Spa junkies, rejoice! World-renowned resort [Rancho La Puerta](#) just launched a 21-day "Perfect Balance Sabbatical" program for those seeking wellness while working. This three-week package aims to help guests achieve true work-life balance with the opportunity to receive spa treatments, cooking classes, fitness experiences, and have access to all the resort's amenities, all while maintaining a flexible work schedule.

The spa is home to 16 casitas so guests can have a personalized and secluded experience. The 4,000-acre property has miles of hiking trails, beautifully landscaped gardens, an organic farm with an attached cooking school, three full-service holistic spas, and plenty of fitness accommodations. Wine bars, Wi-Fi lounges, shaded hammocks, and juice bars are just a few of the appealing places to spend your workday.
